STAND STRONG WITH THE CTU!

SEPTEMBER 15
SATURDAY, 12 NOON
UNION PARK (ASHLAND AND LAKE)

The Chicago Teachers Union is fighting to make schools better for Chicago students.

The union is calling on all its supporters from Chicagoland and beyond to join us for a mass rally and march for public education.

Around the country and world, our fight is recognized as the front line of resistance to the corporate education agenda.

The time is now to stand united for educational justice.

Chicago Teachers Union is not striking over any matter governed under Sections 4.5 and 12(b) of the IELRA.
